

EOTEC DevNet Regional Meetings September 21, 2021

Earth Observation Training, Education, and
Capacity Development Network

EOTEC DevNet is a network of networks created to improve coordination and engagement of Earth Observation asset and training providers in support of key global sustainable development outcomes.

Who should attend the Regional Meetings?

- Anyone engaged in building knowledge and skills to use Earth observations for better drought-related decisions, actions, and research
- Anyone with technical experience related to drought forecasting, response, and risk

Regional Meeting Objectives:

1. Learn about EOTEC DevNet's [approach](#)
2. Discuss regional tools, capacity development efforts, and gaps and needs related to drought, facilitated by EOTEC DevNet's [Droughts Tracker](#)
3. Learn [what's next](#) for EOTEC DevNet's work in floods and droughts

When to Join:

Asia-Oceania: 12:00-13:00 UTC | 8:00-9:00 EDT

Africa: 13:30-14:30 UTC | 09:30-10:30 EDT

Europe: 15:00-16:00 UTC | 11:00-12:00 EDT

Americas: 17:00-18:00 UTC | 12:30-13:30 EDT
